

CURRICULUM VITAE

ANDREW M. COLMAN

Personal information

Date of birth: 8 January 1944 (Johannesburg)
Nationality: British
Address: School of Psychology, University of Leicester, Leicester LE1 7RH, UK
E-mail: amc @ le.ac.uk
Home web page: <http://www2.le.ac.uk/departments/psychology/ppl/amc>
Current position: Professor of Psychology, University of Leicester

Qualifications and expertise

1979 PhD (Psychology), Rhodes University (thesis title: “Abstract and Lifelike Experimental Games”)
 1968 MA (Psychology), University of Cape Town
 1965 BA (Hons) (Psychology), First Class, University of Cape Town
 1964 BA (Combined Studies), with distinction in African Languages, University of Cape Town
 1961 Hoër Taalbond (bilingual certificate), Suid-Afrikaanse Akademie vir Wetenskap en Kuns
 1961 Matriculation, First Class, Hilton College

Languages: English (native), Afrikaans (fluent), German, Dutch, French (some), Xhosa (studied to degree level but in abeyance)

Current research interests

Judgment and decision making, game theory, experimental games, cooperative reasoning, evolution of cooperation.

Positions held

2000– Professor of Psychology, University of Leicester
 1984–00 Reader in Psychology, University of Leicester
 1970–84 Lecturer in Psychology, University of Leicester
 1969–70 Lecturer in Psychology, Rhodes University
 1967–68 Junior Lecturer in Psychology, University of Cape Town
 1966 Graduate Teaching Assistant in Psychology, University of Cape Town
 1965 Demonstrator in Psychology University of Cape Town
 1961–62 News Reporter, *The Sunday Times* (Johannesburg)

Awards and distinctions

Tarrant, C., Dixon-Woods, M., Colman, A. M., & Stokes, T. (2010) shortlisted by the Royal College of General Practitioners for the Research Paper of the Year Award 2010.
A Dictionary of Psychology included in *The Independent* Top Ten Psychology Book Chart (10 November 2006, p. 29)
 Guest Editor, *Journal of Economic Psychology* (Vol. 27, No. 3, 2006), special issue on research inspired by the Nobel laureate Thomas C. Schelling
 Auber Bequest Award, Royal Society of Edinburgh (2005)
 Academician of Social Sciences (AcSS), elected by the Academy of Social Sciences (2004)
 Outstanding Reference Source Award, American Library Association, for *A Dictionary of Psychology* (2002)
 Citation of Excellence for a research article by Colman and Stirk (1998), *ANBAR Electronic Intelligence* (1998)
Facts, Fallacies and Frauds in Psychology listed in Unwin Hyman *Academic Bestsellers* list, 1989, HarperCollins *Academic Bestsellers* list, 1991.
What is Psychology? The Inside Story listed on the Unwin Hyman *Academic Bestsellers* list (1989), the HarperCollins *Academic Bestsellers* list (1991), and the Routledge *Bestselling Backlist* (1991)
 Chartered Psychologist (CPsychol) (from 1988)
 Short story writing prize, *The Independent Magazine*, (1 October 1988)
 Fellow (FBPsS) of the British Psychological Society (elected 1984)
 Bassett-Smith Memorial Science Prize (1961)
 First prize, Natal British Settlers' Council essay competition (1961)

Research grants from external sources

2011–16: Pulford, B. D. & Colman, A. M. £100,000 awarded by the Leicester Judgment and Decision Making Endowment Fund to study “Coordination, Judgment, and Decision Making” (Grant No. RM43G0176).
 2010–12: Gold, N., Colman, A. M., & Pulford, B. D. £125,151 (£151,217 FEC) awarded by the Arts and Humanities Research Council for a study of “Framing Effects in Ethical Dilemmas”. (Grant No. AH/H001158/1)
 2009–10: Colman, A. M., & Pulford, B. D. £7,272 awarded by the Nuffield Foundation Social Sciences Small Grants Scheme for a study of “Evolution of Cooperation Through Similarity Recognition”. (Grant No. SGS/36129)
 2006: Colman, A. M., & Gillett, R. T. £24,980 awarded by the Department of Innovation, Universities & Skills Science Research Investment Fund (SRIF) for refurbishing a judgment and decision laboratory.
 2005–06: Colman, A. M. £2,600 awarded by the Royal Society of Edinburgh to study “Evolution of Cooperation Through Coordinated Turn-Taking”.
 2004–07: Baker, R., Mellon, J., Colman, A. M., Steward, W., Kockelbergh, R., Sinfield, P., Tarrant, C., Crosbee, L., & Sproston, K. £347,291 awarded by the NHS Service Delivery and Organisation National R&D Programme for research into “Prostate Cancer Care: Improving Measures of the Patient Experience”. (Grant No. SDO/77/2004)
 2004–05: Colman, A. M., & Al-Nowaihi, A. £12,054 awarded by the British Academy Larger Research Grants Scheme to study “Cooperation in Multi-Player Minimal Social Situations: An Experimental Investigation”. (Grant No. LRG-37265)

- 2004: Colman, A. M. £532 awarded by the Royal Society to contribute to “FUR XI: 11th International Conference on the Foundations and Applications of Utility, Risk and Decision Theory”, 30 June to 3 July 2004. (University code RM43022)
- 2003–05: Colman, A. M., Pulford, B. D., & Bolger, F. £121,563 awarded by the Economic and Social Research Council for research into “Confidence in Interactive Decisions”. (Grant No. RES-000-23-0154) [The research output of this grant was rated “Outstanding” by all three independent rapporteurs in the ESRC’s research quality evaluation, 28 April 2006]
- 1994–97: Bacharach, M., Colman, A. M., & Gambetta, D. £98,990 awarded by the Economic and Social Research Council for research into “Framing, Salience and Product Images” (theoretical and experimental research into framing effects in multi-attribute decisions and games). (Grant No. L122-25-1002) [The research output of this grant was rated “Outstanding” by all three independent rapporteurs in the ESRC’s research quality evaluation, 19 February 1998]
- 1995–96: Colman, A. M. £15,314 awarded by BEM Research for “Psychometric Evaluation of Attitudes Towards Services”. (Grant No. M71)
- 1994–95: Colman, A. M. & Norris, C. E. £12,437 awarded by BEM Research for “Measurement of Perceived Quality and Impact in Relation to Services”. (Grant No. K38)
- 1993–94: Colman, A. M. & Norris, C. E. £10,000 awarded by BEM Research for investigations of “Factors Affecting Attitudes Towards Services”. (Grant No. M88)
- 1988–89: Colman, A. M. £7,500 awarded by the Independent Broadcasting Authority for research into “Properties of Television Programmes Affecting Recall and Recognition of Accompanying Commercials”. (Grant No. LE27)
- 1987: Colman, A. M. £5,000 awarded by the Independent Broadcasting Authority for an experimental investigation into “The Effects of Schedule Variety on Arousal and Attitudes Towards Television Violence”. (Grant No. LE22)
- 1983–85: Sluckin, W., Colman, A. M., & Hargreaves, D. £16,720 awarded by the Economic and Social Research Council (then the Social Science Research Council) for a project on “Development and Change in Everyday Likes and Dislikes”. (Grant No. C-00-23-0085)
- 1967: Colman A. M. R500 awarded by the Council for Scientific and Industrial Research (CSIR) for “The Development of a Unidimensional Scale to Measure Attitudes Towards Africans”. (Grant No. CS.PS.11)

Conference and workshop papers (from 2000)

- Pulford, B. D., Colman, A. M., Omtzigt, D., & al-Nowaihi, A. (2011, 23 August). *Cooperation without awareness and decisions from experience in minimal social situations*. SPUDM23: 23rd International Conference on Subjective Probability, Utility and Decision Making, London, UK.
- Colman, A. M., Browning, L., & Pulford, B. D. (2010, 20 October). *Spontaneous Similarity Bias in the Evolution of Cooperation*. Symposium on Cooperation and Conflict in Human and Animal Behaviour, University of Newcastle.
- Colman, A. M. (2009, 23 October). *Minimal Social Situations: Mathematical Modelling, Experimental Evidence, and Monte Carlo Simulation*. Department of Computer Science, University of Leicester.
- Colman, A. M. (2008, 6 December). *Cooperation in deterministic and stochastic minimal social situations*. Paper presented at the British Psychological Society Mathematical, Statistical, and Computing Section annual conference, University of Leicester.
- Colman, A. M. (2008, 10 December). *The puzzle of payoff dominance*. Invited seminar, London Judgment and Decision Making Group, University College London.
- Colman, A. M., Pulford, B. D., & Rose, J. (2008, 23-24 September). *Experimental evidence for team reasoning*. Keynote paper, Workshop on "Perspectives on the Theory of We-thinking" in honour of Michael Bacharach, University of Trento, Italy.
- Colman, A. M., & Browning, L. (2008, 2 April). *Evolution of cooperative turn-taking*. Experimental Psychology Society, Cambridge Scientific Meeting.
- Colman, A. M., & Pulford, B. D. (2008, 22 May). *Ambiguity aversion and ambiguous games*. Invited seminar, University of East Anglia.
- Colman, A. M. (2007, 30 April). *Evolution of cooperation*. Café Scientifique, Nottingham.
- Colman, A. M. (2006, 10 July). *Evolution of cooperation*. Café Scientifique, Leeds.
- Colman, A. M. (2006, 17-20 July). *Measuring expectations*. ESRC Research Methods Festival, University of Oxford.
- Colman, A. M., & Pulford, B. D. (2006, 5-6 January). *Ambiguous games and strategic ambiguity aversion: Experimental evidence*. Paper presented at the Experimental Psychology Society London Meeting, University College, London.
- Colman, A. M., Pulford, B. D., & Rose, J. (2006, 15-18 June). *Collective rationality, team reasoning, and focal points*. Keynote paper presented to the 2nd International Conference on Business, Management and Economics, Yasar University, Cesme, Izmir, Turkey.
- Pulford, B. D., & Colman, A. M. (2006, July 10-12). *Confidence and communication in an E-FIT identification task*. Paper presented to the Language, Psychology and the Law Conference, University of Leicester.
- Colman, A. M., & Pulford, B. D. (2005, 5-8 August). *Ambiguous games*. Keynote paper presented at the International Conference of Cognitive Economics, New Bulgarian University, Sofia, Bulgaria.
- Colman, A. M., & Pulford, B. D., & Bolger, F. (2005, 2 April). *Asymmetric dominance and confidence in strategic interaction*. Paper presented at the British Psychological Society Quinquennial Conference, Manchester.

- Colman, A. M., & Pulford, B. D., & Bolger, F. (2005, 03 May). *Asymmetric dominance effects in dyadic games*. Paper presented at the Midlands Game Theory Workshop, Keele.
- Colman, A. M., Pulford, B. D., & Bolger, F. (2005, 1 July). *Asymmetric dominance effects in games*. Keynote paper presented at the ESRC International Symposium on Confidence in Interactive Decisions, University of Leicester.
- Colman, A. M., Pulford, B. D., & Bolger, F. (2005, 22-24 August). *Strategic ambiguity aversion*. Paper presented at the 20th Research Conference on Subjective Probability, Utility, and Decision Making (SPUDM20), Stockholm.
- Colman, A. M., & Pulford, B. D., & Bolger, F. (2004, 13 May). *Asymmetric dominance and confidence in mixed-motive dyadic games*. Paper presented at the Oxford Experimental Economics Workshop, University of Oxford.
- Colman, A. M., & Pulford, B. D., & Bolger, F. (2004, 30 June – 3 July). *Asymmetric dominance and confidence in mixed-motive dyadic games*. Paper presented at FUR XI: the 11th conference on the Foundations and Applications of Utility, Risk and Decision Theory, Paris.
- Colman, A. M. (2003, 1 July). *Cooperation without awareness*. Paper presented at the East Midlands Game Theory and Applications Workshop.
- Colman, A. M. (2003, 9-10 April). *Cooperation without awareness in the multi-person minimal social situation*. Paper presented at Teamwork: A Multi-Professional Workshop, St Catherine's College, Oxford.
- Colman A. M. (2003, 13 February). *Behavioural game theory and psychological game theory*. Seminar at University of Newcastle Upon Tyne.
- Colman A. M. (2002, 3 December). *Non-standard reasoning and psychological game theory*. Seminar presented at University College London.
- Colman, A. M. (2002, 30 June). *Non-standard rationality assumptions and psychological game theory*. Paper presented at the LOFT5: Logical Foundations of Game Theory conference, Turin, Italy.
- Colman A. M. (2002, 27 February). *Non-standard reasoning and interactive decision making*. Seminar presented at Goldsmiths College London.
- Colman A. M., Park, J., & Stirk, J. A. (2001, 2-8 July). *Non-standard reasoning in games: Evidence for the Stackelberg heuristic*. Paper presented at the V Conference of the Society for the Advancement of Economic Theory, Ischia, Italy.
- Colman, A. M., & Park, J. (2001, 2-8 July). *Team reasoning: An experimental investigation*. Paper presented at the V Conference of the Society for the Advancement of Economic Theory, Ischia, Italy.
- Colman, A. M. (2001, 6 March). *Cooperation, trust and betrayal: Game theory and the impossibility of rational social interaction*. Inaugural Lecture delivered at the University of Leicester.
- Colman, A. M. (2000, 4–8 July). *Experimental games*. Keynote paper and three workshops presented at the Europäische Wissenschaftstage conference on Evolution of Cooperation and Communication, Steyr, Austria.

Memberships and honorary positions

- 2008–11 University and College Union, departmental representative
- 2007– Association for Psychological Science, member
- 2007– Experimental Psychology Society, member
- 2004– Academy of Social Sciences, academician
- 1984– British Psychological Society, Fellow

- 2004– Oxford Centre for Higher Education Policy Studies, mediation panel member
 1991–95 British Psychological Society Qualifying Examination, Registrar and Chief Examiner
 1990–95 Committee for Conflict Intervention (South Africa), member
 1990–95 British Psychological Society Standing Press Committee, member
 1989–91 British Psychological Society Qualifying Examination, examiner
 1984– American Psychological Association, international affiliate
 1982–85 British Psychological Society Social Psychology Section, committee member
 1977–81 British Psychological Society Council and Finance and General Purposes Committee, member
 1977–81 British Psychological Society, Honorary Information Secretary
-

Consultancies

- 2004–05 Consultant, Channel 4 Television series: “The Nightmares Next Door”
 2001–02 R. v. Sharon McCullough, Belfast Crown Court
 1999–01 R. v. Gregory Fox, Belfast Crown Court
 1996–98 CIA MediaLab (context effects on memory for TV advertisements)
 1995–96 R. v. Abdul Haq, Court of Appeal
 1994–95 R. v. Michael John Timmons and Others, Northern Ireland Appeal Court
 1993–95 Advisory Editor, *The Social Science Encyclopedia* (2nd edition)
 1993 BBC TV: “Rough Justice” television programme “Murder in Mind”
 1992 Association of Chief Police Officers (ACPO): workshop on psychological aspects of crowd behaviour
 1991 R. v. Loughran and Others, Belfast Crown Court
 1989–90 Everards Brewery (Psychometrics)
 1989–90 Marconi Command and Control Systems (Psychometrics)
 1989–90 R. v. James Neeson and 5 Others, Belfast Crown Court
 1990 R. v. John Kevin Meehan, Belfast Crown Court
 1990 State v. Frans Mokgautsi & 55 Others (Leeuwfontein and Braklaagte Murder Trial), Supreme Court of Bophuthatswana, General Division
 1990 State v. Phasha and 5 Others, Supreme Court of South Africa, Witwatersrand Local Division
 1990 State v. Toka & Others, Supreme Court of South Africa, Witwatersrand Local Division
 1990 Eagle Productions Ltd (Scientific Editor)
 1989 State v. Gqeba and 5 Others (the Queenstown Six murder retrial), Supreme Court of South Africa, Eastern Cape Local Division
 1989 R. v. R. J. Dornan and 7 Others, Belfast Crown Court
 1989 R. v. David McConnell & Others, Belfast Crown Court
 1989 R. v. McGuire and Murphy (the Casement Park corporals’ murder trial), Belfast Crown Court
 1988 State v. Sibisi and 17 Others (the SARHWU murder trial), Supreme Court of South Africa, Witwatersrand Local Division
 1985–87 Regular contributor, “Findings”, *New Society*
 1986 BBC “Horizon” television programme, “Nice Guys Finish First”
 1983–85 Editorial consultant, *The Social Science Encyclopaedia*
 1983–84 Thames Television series, “All in the Mind”
-

Journal editing

- 2005–06 Editor of a special issue of the *Journal of Economic Psychology* (Vol. 27, No. 3) devoted to research inspired by the Nobel laureate, Thomas C. Schelling.
- 2003– International Advisory Editorial Board member, *Society*
- 1986–90 Editorial Consultant, *British Journal of Social Psychology*
- 1983–86 Editorial Board Member, *British Journal of Social Psychology*
- 1983–84 Editor-in-Chief, *Current Psychology*
- 1981–83 Founder and Executive Editor, *Current Psychological Research* and *Current Psychological Reviews* (subsequently merged into *Current Psychology*)
- 1969–70 Editorial Advisory Board Member, *Psychologia Africana*

External examining and assessing

2010	External Assessor, two Chair appointments, University of East Anglia
2007	PhD, London School of Economics and Political Science
2005–07	BSc Psychology, University of London Goldsmiths College
2000–04	BSc Psychology, Oxford Brookes University
2002	PhD, Oxford Brookes University
1998–00	BSc Psychology, University of Lincolnshire & Humberside
1989	PhD, London School of Economics and Political Science
1987–88	BA (Communication Studies), Sunderland Polytechnic
1985–87	BA (Social Studies), Coventry Polytechnic
1984	PhD, University of Leeds
1984	PhD, University of Strathclyde
1983	PhD, University of Glasgow
1979–82	BA (Communication Studies), Sunderland Polytechnic
1975–90	BA (Psychology), Nene College

Administrative duties

From 2001 to 2009, Director of Research for the School of Psychology, Chair of the Psychology Research Committee, member of the Psychology Resources Committee and Psychology Research Student Committee, and member of the Faculty of Medicine and Biological Sciences Research Committee. Acting Head of Department on several occasions. At different times, member of the Boards of the Faculties of Science, Arts, and Medicine and Biological Sciences. Admissions Tutor for 16 years (1984–2000). Non-professorial elected member of the University Senate 1999–1999, and professorial member, 2000–2005.

Postgraduate supervision

Supervision of 15 postgraduate research students, 14 of whom have completed their theses successfully: Daniela Rudloff (2012, second supervisor); Adrian Adler (2009 second supervisor), Carolyn Tarrant (2007, first supervisor), Lisa Kerr (2006, first supervisor), Lisa Morrison Coulthard (2005, first supervisor), Joanne Park (2003, first supervisor); Rod Corston (1996, first supervisor); Briony D. Pulford (1996, first supervisor); Helen Sharp (1996, first supervisor); Claire E. Norris (1992, first supervisor); Gareth G. Jones (1986, first supervisor); Miriam Zukas (withdrew after appointment to a lectureship in Leeds); Kate Castell (1984, second supervisor); Marilyn Aitkenhead (1980, first supervisor); Porn-tip Jintaganont (1976, first supervisor).

Current undergraduate teaching

Option Module: Cooperation, Conflict and Social Dilemmas (PS3006)
Core Module: Social Psychology (PS3000)

Personal interests

Music (played piano and harpsichord for many years in the chamber group Musica Dolce)
Puzzle solving (especially mathematical puzzles, crosswords, and chess problems)
Formerly, chess (played for Leicestershire a few times)
Formerly, squash (played first string for the University and was awarded colours in 1980)
